Ski school on the Alpe di Siusi - Ski school Sciliar 3000 Welcome

Dear winter sports enthusiasts,

The team of the Ski School Schlern/Sciliar 3000 is looking forward to welcoming you!

Our name was carefully picked and tells a lot about our philosophy and ultimate principles. The Schlern mountain is the symbol of South Tyrol and a singular and fascinating landmark dominating the setting of all our skiing experience.

3000 stands for modern and forward thinking, constantly aiming for perfection, being up to date with the latest ski technology and teaching methods and searching for faster and more effective methods of taking your skiing skills to new levels and into a new era of skiing.

Our team consists of 50 dedicated, highly motivated and qualified professional ski, snowboard and cross-country instructors who combine years of experience with the most innovative, modern and successful approach to ski teaching. Our goal is providing the best possible tuition to our clients in a fun, friendly and relaxed environment and putting them at the heart of skiing.

Explore our website and find out how it all works!

Come and join us for an unforgettable skiing experience! Learn and enjoy skiing in a winter wonderland surrounded by the most beautiful and breath-taking mountain scenery in the world!
